Briefing Note

Link House

A planning application to demolish Link House and construct a new two storey dwelling was presented to the County Council Planning Committee at St James's Hall in Alnwick on the 6 November 2014.

Parish Councillors will remember this application has a long history, having been refused on a previous occasion by the Planning Committee and the Inspector following Appeal.

The Senior Planning Officer introduced the application and recommended refusal to the Committee.

Parish Councillor Deborah Baker spoke on behalf of the Parish Council and Jim Norris spoke on behalf of the Save Beadnell Association. Both organisations requested refusal.

Stuart Palmer from Studio SP Architects spoke in support, on behalf of the Applicant.

Approximately 24 residents from the community attended. My heartfelt thanks go to you all for your continued support.

I am pleased to report that the application for planning permission was refused and that the vote was unanimous.

The Decision Notice can be viewed on the County Council web site application 14/01529/FUL.
